Dear Ms. Tyson:

The City of Kansas City Missouri has completed the review of your application for certification as a Disadvantaged Business Enterprise (DBE). Based upon the application, including supporting documentation, and pursuant to 49 CFR Part 26 it has been determined that your firm does qualify for participation in the DBE program. This certification is effective on this date and is valid until **January 27, 2009**. You will be required to submit a yearly update which will be provided to you approximately 60 days prior to the anniversary date of this letter.

In compliance with the federal regulations, City of Kansas City Missouri has determined that your firm is qualified to participate as a DBE in the work types set out below and the DBE Scope of Work Statement attached. The work performed by your firm will only count toward contractual DBE goals for those work types. If you wish to expand your scope of business you must make a written request to the City of Kansas City Missouri for review and determination.

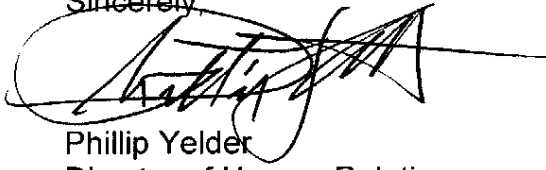

<b>Work Code</b>	<b>Description</b>
SIC Concrete Paving/Flatwork	NAICS 238990/237310
SIC Excavation	NAICS 238910
SIC Retaining Walls	NAICS 237990

Your certification as a DBE is subject to review at any time during the effective period. Pursuant to the Code of Federal Regulations, City of Kansas City Missouri reserves the right to request and review all relevant documentation related to your certification, work performed, personal net work, or any other element of the DBE program. The department will be monitoring the operations of your firm to ensure that it continues to operate in compliance with the regulations and intent of the DBE program.
